- (d) for purchase of oil on behalf of a member buyer with a non-member seller.

In such case, the commission agent must specify in the contract itself that he is acting as an agent for the specified seller or the specified buyer as the case may be.

20. Two commission agents may enter into an N.T.S.D. contract only if : (a) one of them is acting as an agent for a member seller and the other is acting as an agent for a member-buyer or non-member buyer;

- (b) one of them is acting as an agent for a non-member seller and the other is acting as an agent for a member-buyer.

21. Notwithstanding the provisions of Bye-law 20 above, a dealer may enter into an N.T.S.D. contract for sale of oil to end users, such as Vanaspathy manufacturers, a retailer or soap manufacturers.

22. Members claiming to operate partly as commission Agents and partly as dealers in their own right, shall be required to prove that they were conducting business on these lines in earlier years also. On producing proof to the satisfaction of the sub-committee appointed for this purpose, they may be classified as commission agents, but allowed to operate as 'dealers' in so far as their own business is concerned.

23. No person whether a member or not, shall be allowed to enter into an N.T.S.D. Contract in the capacity of a dealer as aforesaid unless :

- (i) he owns or rents a godown, and  
(ii) he shows that his purchases and sales on his own account were on an average atleast 50 tonnes during any one of three preceding years.

24. A non-member shall be allowed to enter into N.T.S.D. contract for groundnut oil in the capacity of a dealer only if :

- (i) he owns or rents a godown, and  
(ii) he shows that his purchases and sales on his own account were on an average at least of 50 tonnes, during any one of three preceding years provided that no non-member dealer shall be allowed to enter into any N.T.S.D. contract for groundnut oil with any other dealer.

25. On any day within one week preceding the last day of delivery, the seller or buyer may give a notice to the opposite party to the contract and to the Exchange that he is unable to give or take (as the case may be) delivery of goods. On receipt of such a notice :

(1) if the notice is given by seller, the buyer may exercise any of the following options :

- (a) buy on sellers' account either railway receipt or ready goods on subsequent day after the day on which the notice was received by him.  
(b) close the contract on the subsequent day after the day on which the notice was received by him and claim from the seller the difference between the contract rate and the spot rate registered by the Exchange for that day;  
(c) cancel the contract;

The buyer may exercise one option for some part of the contract and another option for another part of the contract at his discretion.

In case the buyer does not agree to exercise any of the above options, Bye-law 8(A) shall govern the contract.

(2) If the notice is given by buyer, the seller may exercise any of the following option :

- (a) sell on buyer's account either railway receipt or ready goods on the subsequent day after the day on which the notice was received by him.  
(b) close the contract on the subsequent day after the day on which notice was received by him and claim from the buyer the difference between the contract rate and spot rate registered by the Exchange for that day.  
(c) cancel the contract.

The seller may exercise one option for some part of the contract and another option for another part of the contract at his discretion.

In case the seller does not agree to exercise any of the above option, Bye-law 8(B) shall govern the contract.

26. (i) No member shall enter into a n.t.s.d. contract for sale to a non-member or execute an order of a non-member to purchase on his behalf, unless the non-member is registered under Bye-law 26(ii) of the Exchange. A member may, however, enter into such a contract for sale with a non-member who has not already been registered or execute an order for purchase on his behalf provided the member concerned, simultaneously with the entering into such a contract :

- (a) reports to the Exchange the name and address of the non-member and furnishes also such further particulars of the party as he may have in his possession, and  
(b) undertakes to secure from the non-member within ten days from the making of the contract, his application form for registration duly filled :

(ii) Every non-member intending to enter into a N.T.S.D. contract for purchase with a member or intending to place an order with a member for purchase under N.T.S.D. contract, shall make an application to the Exchange in this behalf in such form and containing such particulars as may be prescribed by the Board or a sub-committee appointed by it with the approval of the Commission. On receipt of such an application, the Board after making such enquiry as it considers necessary in this behalf, may grant a certificate of registration to the non-member or refuse to grant it. The Board may also prescribe such other procedure in respect of the registration of a non-member as may be considered necessary from time to time.

(iii) A non-member registered under clause (ii) above shall abide by the conditions laid down in the certificate or registration.

(iv) The Board of the Exchange may fine a non-member or cancel his registration granted under clause (ii) above if the non-member contravenes any of the conditions laid down in the certificate of registration or fails to pay the amount of margin due from him within 48 hours from the making of the contract.

27. In case the non-member buyer fails to pay the amount of margin due from him to the member concerned within the time limit, the member shall have the right :

- (i) to cancel the contract, or  
(ii) to enter into corresponding sale under n.t.s.d. contract and claim from the non-member the difference between the price of the contract with him and the price of the corresponding contract for sale : or  
(iii) to close the contract at the spot rate fixed by the Exchange, on the day subsequent to the day on which the time limit to pay the margin expires.

28. If a non-member who has not already been registered fails to send his application form for registration duly filled in within 10 days of his entering into a n.t.s.d. contract for purchase or if the Board refuses to grant him registration the non-member shall be debarred from entering into any fresh contract for purchase with any member of the exchange. However, the contract for purchase which the non-member has already entered into shall be allowed to run its course.

29. A non-member registered with the Exchange as a non-member buyer shall not effect sale of the same commodity under an n.t.s.d. contract subject to the Bye-laws of the Exchange, except where the sale is to end-users such as Vanaspathy manufacturers, retailers, soap factories, hoteliers, etc.

30. Notwithstanding Bye-law 5, an n.t.s.d. contract genuinely entered into under the indent system of business may run for a period exceeding the delivery period for which n.t.s.d. contracts may have been permitted by the Commission under Bye-law 5, subject to the condition that :

- (a) the seller under the contract has placed a firm indent with the railway authorities for a tank wagon or a bogey wagon within a period of seven days from the date of contract and

(b) it has not been possible to complete delivery before the expiry of the period for which contracts are permitted by the Commission, solely because of failure on the part of the railways to supply the wagons in due time.

Contracts under the indent system thus permitted shall not be deemed to have become invalid on the expiry of the period for which n.t.s.d. contracts have been permitted under Bye-law 5.

31. (a) Every member shall pay to the Exchange Laga or cess on every transaction of sale, and purchase at the rate of Re. 1 per wagon (11000 kgs.) of groundnut oil.

(b) The Board shall have power to vary the rate of the Laga with the concurrence of the Forward Markets Commission.
